**RESPONSE TO NOTICE TO FILE CORRECTED APPLICATION PAPERS**

Sir:

Responsive to the NOTICE TO FILE CORRECTED APPLICATION PAPERS - FILING DATE GRANTED of August 2, 2001 (Part 2 copy attached), the undersigned respectfully traverses the requirement to file corrected application papers, specifically substitute drawings. As noted in the attached NOTICE, substitute drawings were required insofar as the submitted drawing figures contain text that is not in English.

It is noted that the present invention is related to a system and a method for inquiring information from mobile phones by means of foreign language characters, specifically mandarin phonetic notations, or pinyin syllables. It is submitted that the present invention cannot be adequately illustrated unless the drawings refer to specific mandarin phonetic notations or the pinyin syllables, such as those noted in Applicants' Figures 2 and 6A-6D. Removal of the non-English text from the drawings would prevent Applicants from adequately explaining the invention so as to enable one having ordinary skill in the art to make and utilize the invention without undue experimentation.

Application Number 09/871,625

It is requested that this application be given an examination on the merits as filed. Should any points remain in issue, which the Examiner feels could best be resolved by either a personal or a telephone interview, it is urged that Applicants' local attorney be contacted at the exchange listed below.

Respectfully submitted,
